PRESIDENT: Not yet. Record.

CLERK: 27 ayes, 0 nays.

PRESIDENT: The bill is advanced. 472.

SENATOR MARVEL: 472 Mr. Clerk.

PRESIDENT: Senator Marvel.

SENATOR MARVEL: There are two amendments to this bill. These clarify the use of information in the computer. If you're interested in this area I suggest you look at the amendments. It protects the individuals and the information cannot be extracted without the permission of employee and administrator, or director of the department. I move the adoption of the committee amendments to 472.

PRESIDENT: The question is the committee amendments to 472. Is there discussion? Record your vote. Record.

CLERK: 27 ayes, 0 nays.

PRESIDENT: The amendments are adopted.

SENATOR MARVEL: Motion is to advance 472, as amended, to E & R initial. The only other item I'd like to mention is the fact that this bill, in addition to internal provisions, has to do with allowing a Data Processing Services of DAS to make more maximum use of its facilities by contacting other political subdivisions including educational institutions. This basic amendment's found on the bottom of page 5 and the bottom of page 6. With that explanation I move that 472, as amended, be advanced to E & R initial.

PRESIDENT: Discussion of the motion? The question is the advancement of the amended bill. Record your vote. Record.

CLERK: 27 ayes, 0 nays.
